

Vacancy on Berkswich Parish Council! Being a Councillor

Berkswich Parish Council needs a new team member; if you think you would like to take on the challenge please contact the Clerk at berkswichclerk@gmail.com

What is a councillor?

Parish Councillors are elected to represent parishes across the country – this vacancy is at Berkswich Parish Council which covers Milford and Walton on the Hill in Stafford. They are generally elected by the public every four years (elections in May 2023), but there is a Co-option space available on the Parish Council at the moment.

What do councillors do?

Councillors have three main components to their work.

- 1. Decision making** - Through meetings and attending committees with other elected members, councillors decide which activities to support, where money should be spent, what services should be delivered and what policies should be implemented.
- 2. Monitoring** - Councillors make sure that their decisions lead to efficient and effective services by keeping an eye on how well things are working.
- 3. Getting involved locally** - As local representatives, councillors have responsibilities towards their constituents and local organisations. These responsibilities and duties often depend on what the councillor wants to achieve and how much time is available, and may include:
 - Going to meetings of local organisations
 - Going to meetings of bodies affecting the wider community
 - Taking up issues on behalf of members of the public

How much time does it take up?

Often councillors say that their duties occupy them for about an hour a week. Obviously there are some councillors who spend more time than this - and some less, but in the main being a parish councillor is an enjoyable way of contributing to your community, and helping to make it a better place to live and work.

As a councillor representing your community you will help keep it a great place to live and work. You will be supported in your role and will be expected to undertake training. You should be comfortable working electronically. You should have a positive outlook and a can-do attitude and be willing to work as part of a team.
